# OREM CITY COUNCIL MESSAGE

As your Mayor and City Council, we want to extend a warm invitation to each and every one of you to join us at the most anticipated city event of the year: Oremfest! This annual festival is more than just a parade or carnival, it is a celebration of all the things that make Family City USA so wonderful.

This year, we are particularly excited to announce several new events designed to bring families and friends together. Be sure to check out Sportsfest, Oremfest Orchard's Jam, train rides on the Orem Express, Oremfest Fit, as well as all of your past Oremfest favorites. There is honestly something for everyone.

We truly believe that events like Oremfest play a crucial role in bringing us together as a community. It is a time to reconnect, forge new friendships, and strengthen the bonds that unite us. In celebrating together, we not only acknowledge the blessing of living in such an amazing place but also reinforce the social foundation of our great city.

We want to sincerely thank our Oremfest Committee, made up of community volunteers and city staff, for planning and organizing this incredible week of events. They put in long hours nearly year-round to make all of this possible.

Please bring your families, invite your friends, and spread the word. It's going to be an Oremfest to remember. We look forward to seeing you there and can't wait to share in the fun of Oremfest 2024.

Mayor Dave Young  
Council Members:

# MESSAGE FROM THE CHAIR

## CHRISTIE EKINS- OREMFEST CHAIR 2024

Summer festivals are my favorite part of the summer season and Oremfest has become a yearly tradition for our family of five. We love the atmosphere, food, carnival and the variety of activities available to everyone. It is incredible to think of how a weeklong celebration of Orem and the start of summer brings a community together. Our first summer attending Oremfest we were only able to make it to the parade. Let me tell you, this was one of the best parades I had ever attended and each year it continues to exceed my expectations. Each year Oremfest continues to grow and improve with new activities, rides, food and boutiques. It really is an event for everyone!

A huge thank you to all the volunteers and staff who have made this week of events exceptional! Take a deep dive into the magazine and see all the opportunities Oremfest has to kickstart your summer!

See you at Oremfest!

# GRAND MARSHAL

## VAL PETERSON

Over the past 30+ years, Val Peterson has been in the constant service of our nation, state, and community. He served in the Utah National Guard for 32 years and retired as a Brigadier General where he was responsible for the training, administration, logistics, and more for the six Major Army commands in Utah.

Val serves as a state legislator, representing Orem's 56th District. He was elected in 2009 and is currently serving his seventh term.

For over 37 years, he has been a key contributor to Utah Valley University's success and growth. He currently serves as VP of Administration and Strategic Relations where he oversees a budget of more than \$50 million and leads many university departments.

We are honored to have Val serve as the Oremfest 2024 Grand Marshal and appreciate everything he has done over the last three decades to serve our nation, state, and city.

## OREMFEST THEME

### "HONOR. HOPE. HEALING."

This year's Oremfest theme pays tribute to all of our military veterans, both living and passed, as well as to the Gold Star families who have made such immense sacrifices for our nation. A Gold Star Family is a designation reserved for those that have lost an immediate family member in the line of duty.

Orem is building Utah County's first Gold Star Families Memorial Monument as part of the Freedom Plaza at the new Orem City Center. The purpose of this monument is to create a dedicated space to provide honor, hope, and healing to those grieving any military loss.

Donations are now being accepted online if you would like to contribute to this historic project to help us honor these incredible families.

Just visit [oremcf.org/star](https://oremcf.org/star) to learn more and donate.

# SPIRIT OF OREM AWARDS

The Spirit of Orem Award is an annual Oremfest tradition where we honor and recognize two residents who are making a difference in the community and embody the values we aspire to here in Orem. Award recipients are nominated by their peers and voted on by the Oremfest Committee.

Be sure to wave when you see Sunshine and Jim in the Grand Parade!

## SUNSHINE BARNEY

Sunshine, an art teacher at Orem Junior High, has profoundly impacted the lives of countless students. Like her name suggests, she radiates warmth and hope, making her a beloved figure in the school. Sunshine excels in recognizing and celebrating the individuality of each student. As an instructor at a Title I school, Sunshine is keenly aware of the challenges faced by many of her students. She strives to provide a safe and nurturing environment where students can freely express themselves through art. Her dedication extends beyond the classroom, ensuring that her students' needs are met. She embodies the spirit of inclusivity and leaves a positive mark on everyone she encounters. Sunshine's commitment to her students offers them hope and vital coping strategies, presented in a fun and empowering manner. Her contributions are not only transformative for her students but are also bound to resonate through our community for years to come.

## JIM HAWKES

Jim, a dedicated member of the Orem planning commission, exemplifies the values of integrity, hard work, and effective communication. His diligence and optimistic outlook foster unity among leaders and citizens alike, reinforcing Orem's cherished identity as "Family City USA." Known for his amiable and approachable demeanor, Jim consistently builds strong relationships with colleagues and community members. Highly esteemed for his leadership skills, his capacity to inspire and motivate others enhances our community and help bring people together. Jim focuses on mending divisions and championing collaborative efforts. An exemplary citizen of Orem, Jim's contributions have significantly enriched our community. He is deeply committed to serving his neighbors, creating a welcoming environment, and making everyone feel special and seen. Jim truly personifies the spirit of the Orem community.

Rachael Gibson and her husband, Marc, moved to Orem 12 years ago to be closer to her husband's career with Orem City Water Department and for better opportunities for their children whom all have Fragile X Syndrome. Rachael started chalking as a way to watch over their kids who always wanted to be outside and loved to color. She thought that sidewalk chalk would be a good way to combine their two interests and still have the chance to be creative herself. She started small with some inspirational messages for the neighbors or a simple character from a book and it soon became a way to make people in the neighborhood smile and many got to know her children that way too. She has loved the opportunity to reach many others like her children through her art even if it only lasts a day.
