Beautiful Past Bright Future

Oremfest Theme

This year's Oremfest theme celebrates both our proud past and our promising future. Orem's present success, as well as its bright future ahead, is built on the foundation laid by those who came before us. From our beautiful parks, to reliable water, to our thriving business community, the fruits of their labors are all around us.

In Family City USA, we believe the past isn't just something to remember; it's something to build on. We honor the vision and contributions of those who paved the way, carrying the best of their legacy forward as we work to create a future Orem that is bright, beautiful, and full of opportunity for all.

Orem City Council Message

Oremfest has been a beloved tradition in one form or another since 1939. While it has changed and evolved over the years, one thing has remained constant: it has always been a celebration of the things that make Orem such a special place to call home.

Each year, Oremfest feels like a big family reunion, a time when friends, neighbors, and families gather to connect and enjoy the very best our city has to offer. It's a reminder of what makes Orem truly unique: our strong sense of community and our commitment to building a bright future together.

In a world that seems to move faster every day, Oremfest is a time to slow down, enjoy the moment, and cherish the people and experiences that matter most.

As we celebrate the traditions of the past and the promise of the future, we hope this year's Oremfest provides lots of joy, laughter, and warm memories with those you love most.

Happy Oremfest!

2025 Oremfest Chair Message -Ashlie Mann ❄️

It's my absolute pleasure to invite you to this year's Oremfest—a celebration of community, connection, and everything that makes our city such a wonderful place to live. Whether you've attended Oremfest for years or you're experiencing it for the first time, you're in for something truly special.

Oremfest is packed with fun for everyone and includes the parade, concerts, fireworks, delicious food, sports tournaments, a pool party, a carnival, car shows, arts and crafts, and so much more. Whether you're looking for a lively evening out with friends, a day of adventure with the kids, or a peaceful evening in the park, there's something here for every age and interest. Oremfest is a full week to come together as friends and neighbors and celebrate the city we're proud to call home. It's the spirit of Orem on full display!

None of this would be possible without the incredible support of our sponsors and the dedicated efforts of our volunteers. Their generosity, time, and energy bring Oremfest to life, and on behalf of the entire community, I want to say a heartfelt thank you. So come on out, bring your family and friends, and make some unforgettable memories with us.

We can't wait to celebrate Orem with you!

Hirst Family

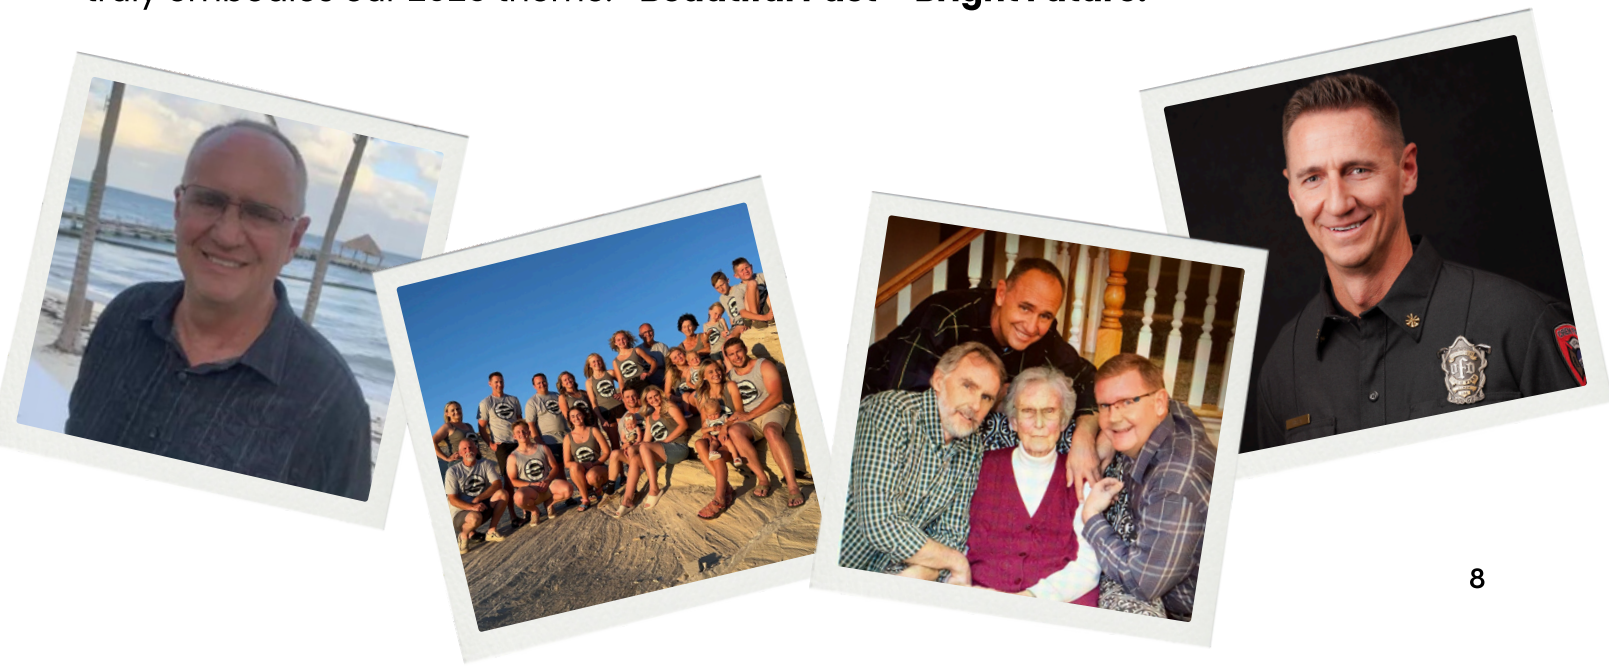

Grand Marshal

If you've been swimming at the Orem Fitness Center, joined a rec league, or been helped by Orem's first responders, chances are you've felt the impact of the Hirst family. This year, we proudly recognize three generations of dedicated civic service as the Hirst family represents Oremfest 2025 as Grand Marshals.

It all began with Cyntha Hirst, a pioneer in recreation and longtime BYU professor who helped establish the original Orem Fitness Center in 1979—home to the Utah County's only 50-meter pool. Her passion for youth swimming laid the foundation for generations of aquatic programs in Orem.

Cyntha's legacy continued through her son Karl Hirst, who served 23 years with Orem Public Safety, later returning as interim Police chief in 2020. He went on to lead Orem Recreation for 15 years, overseeing the creation of the new Orem Family Fitness Center. After Karl's passing in 2024, his wife Kathy launched a scholarship fund in his name to help disadvantaged youth participate in sports. She also proudly notes that all three of their children—Chelsi, Shaun, and Nate—worked at the Scera Pool, continuing the family tradition of supporting Orem's recreation programs.

The legacy continues with Shaun Hirst, an Assistant Chief with the Orem Fire Department. For the past 19 years, Shaun has led innovations in wildfire response and modernized Orem's emergency services, earning the department top state ratings. From education and recreation to public safety and emergency response, the Hirst family's 75+ years of service have helped make Orem the thriving and connected community it is today. As they lead the Oremfest parade, we celebrate a family that truly embodies our 2025 theme: **"Beautiful Past – Bright Future."**

SPIRIT OF OREM

The Spirit of Orem Award honors residents each year who make a positive impact in the community. Awardees are nominated by community members and selected by the Orem Events Advisory Commission as individuals who embody Orem's core values. Be sure to wave to them at the Grand Parade!

THERON MURPHY

Principal Theron Murphy of Timpanogos High School is a dedicated educator whose quiet, consistent leadership has shaped the lives of countless students and families in Orem. For over 15 years, Theron has been a steady presence at Timpanogos High School, known for his rare ability to connect with students on a personal level. He has a remarkable talent for instilling confidence in those who need it most. His leadership goes beyond academics; it's rooted in compassion and confidence in his students. He is the cornerstone of Timpanogos High School and has dedicated his life to building a brighter tomorrow, one student at a time.

JOAN MOODY

Joan Moody's compassion and quiet leadership have uplifted countless lives near and far. Known for her humanitarian work in Africa, Joan's impact recently reached Orem. At a local church service project, she arrived with her own boxes of food ready for assembly. With volunteers she led the creation of 150 packs, each with seven nutritious items a child could prepare alone. When asked how she got the food, Joan said friends donated, and she covered the rest—she couldn't bear the thought of hungry kids. Now, inspired by her example, more are stepping up. This month she's preparing 300 more. Joan truly embodies Orem's spirit of service.

BECKY OAKLEY

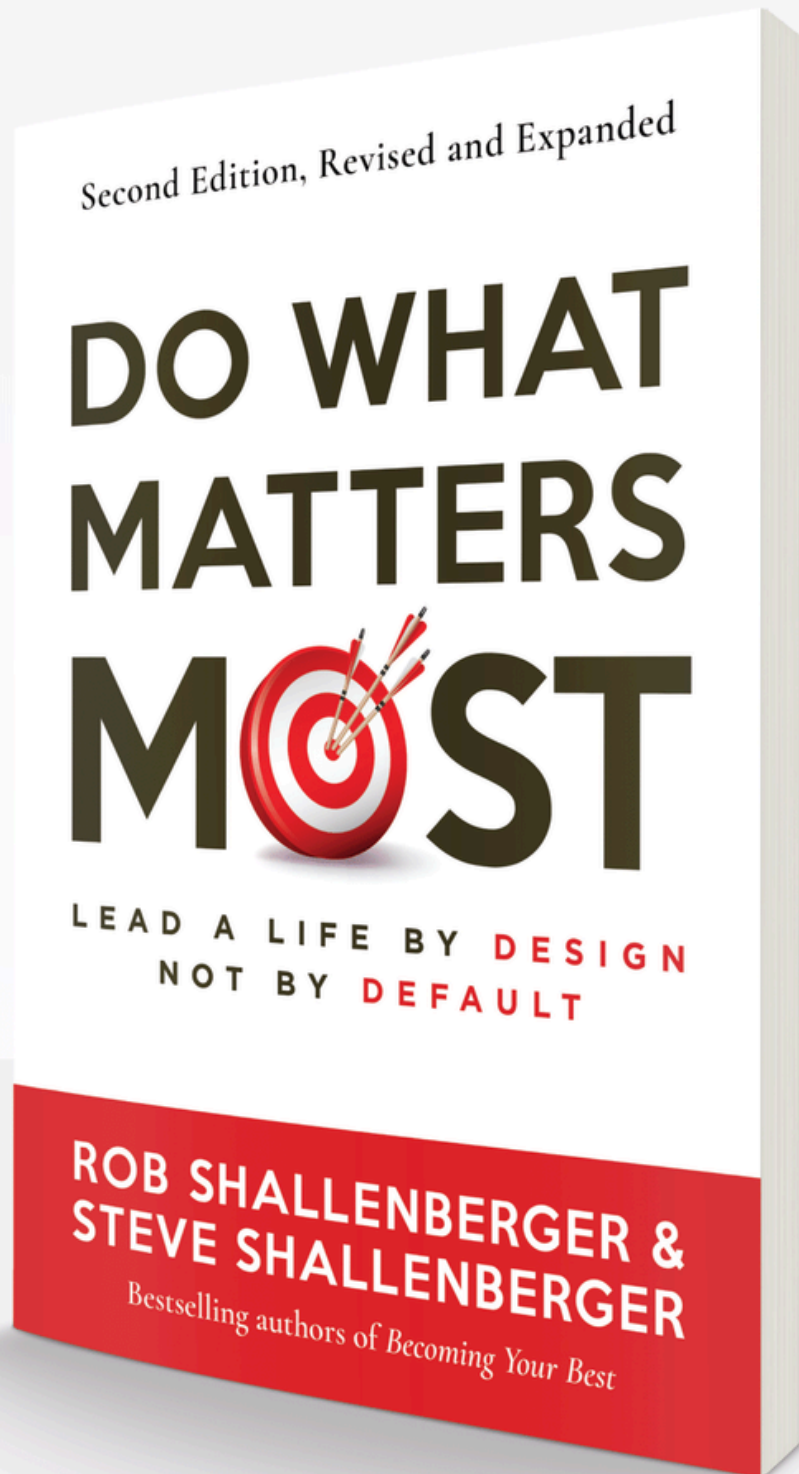

Becky Oakley is a compassionate nurse practitioner, devoted mother, and advocate for families of children with complex medical needs. As both a professional and a parent, she saw a need in her community and took action. In 2017, after the heartbreaking loss of her son Brady, Becky turned grief into purpose by founding Brades' Place, a nonprofit named in his memory. What began as a personal mission has become a vital resource for families in Orem and across Utah—providing respite care, nursing support, and connection. Thanks to Becky's unshakable optimism, Brades' Place has brought hope and healing to hundreds of families.
