RED, WHITE, BLUE, AND YOU!

Oremfest Theme

This year's Oremfest theme celebrates 250 years of freedom in the United States and the role that each of us play in preserving those freedoms. Oremfest 2026 is a tribute to the American spirit that has defined our nation for two and a half centuries.

In Family City USA, we believe that the American story is more than just a history lesson; it's a living legacy passed from one generation to the next. As we mark this historic milestone, we honor those who paved the way and the citizens who will carry the best of their legacy into the future. "Red, White, Blue, and You" celebrates the past, the present, and the great hope for the future.

OREM CITY ❄️ ❄️ ❄️ COUNCIL MESSAGE

Since 1939, Oremfest has been our city's premier tradition, evolving through the decades while always remaining anchored as a celebration of what makes our community special. This year, as our nation marks its Semiquincentennial, Oremfest 2026 will take on new historic significance. We are celebrating more than just our city, we are honoring 250 years of the American spirit that enables a community like ours to flourish.

As we reflect on two and a half centuries of freedom, we celebrate the unique bond that ties us together as both Family City USA and as fellow Americans. Our hope is that this year's festivities bring you joy, laughter, and a renewed sense of belonging in both the city and the country.

We invite you to use this milestone as an opportunity to reconnect with family, friends, and the values that have "preserved us a nation" these past 250 years.

We look forward to seeing you at Oremfest!

Mayor Karen McCandless

Council Members:

Jenn Gale, Chris Killpack, Jeff Lambson,

2026 Oremfest Chair Message -*Ashley Shumway*

Get ready, Orem! It's time to celebrate! Oremfest is back, and this year, we're marking an extraordinary moment: the 250th anniversary of the signing of the Declaration of Independence. In honor of the spirit of freedom, our theme this year is "Red, White, Blue, and You."

This weeklong celebration is all about coming together as neighbors, friends, and families to share laughter, make memories, and show off the incredible spirit of Orem. It's our community at its best, honoring the past while celebrating the future.

From parades and live concerts to fireworks lighting up the sky, Oremfest is packed with nonstop fun. Add in delicious food, sports tournaments, a pool party, carnival rides, car shows, arts and crafts, and so much more to make your perfect Oremfest moment.

We couldn't make this happen without the incredible support of our sponsors and the dedication of our staff and volunteers. Their generosity, time, and energy bring this celebration to life, and we are deeply grateful.

So grab your favorite people, come join the fun, and let's make this Oremfest, and America's 250th anniversary, one to remember!

GRAND MARSHAL

We are thrilled to recognize the Colonial Heritage Festival as the Grand Marshal for Oremfest 2026. There is no better organization to represent the Oremfest theme “Red, White, Blue, and You” during the America250 celebration, recognizing 250 years since the signing of the Declaration of Independence.

The Foundation runs the largest colonial living history event in the Western United States. It started as “Colonial Days” in 2005 to celebrate Benjamin Franklin’s birthday and has transformed into an annual celebration of America and its unique history. It has grown in size each year and eventually became the Colonial Heritage Festival. This year’s festival will be held July 2nd through 4th, 2026.

Hosted in Scera Park in the heart of Orem, the event is an annual tradition for many families celebrating the Fourth of July. This year may be the biggest one yet as organizers are expecting about 40,000 visitors and hoping for 500 volunteers.

The Festival expands past the event. They co-sponsor the largest living history celebration of “The Shot Heard Round the World” and regularly host school programs, taking historical exhibits to fifth-grade classrooms to teach students about the significance of America’s history and founding values.

Many festival volunteers give more than just their time. Some travel from great distances at their own expense, furthering the goal to show that there’s something amazing about America. Current president of the festival, Gove Allen, recognizes volunteers for their hard work and dedication each year.

The Colonial Heritage Festival has become a cornerstone in our community for celebrating our nation. Their mission to preserve the history, skills, culture and values of the American Founding makes them the perfect Grand Marshal for America’s 250th celebration as part of Oremfest.

SPIRIT OF OREM

The Spirit of Orem Award honors individuals who make a positive impact in the community. Awardees are nominated by community members and selected by the Orem Events Advisory Commission as individuals who embody Orem's core values. Be sure to wave to them at the Grand Parade!

KELLY KIRKPATRICK

Kelly Kirkpatrick is a lifelong Utah Valley resident whose devotion to God, country, and community has driven decades of service. A veteran of the United States Air Force, Kelly has continued that commitment in civilian life through leadership, faith, and patriotism. For 22 years, he has served with American Legion Post 72 as First Vice Commander, helping honor veterans, promote patriotism, plan community activities, orchestrate military rites at funerals for veterans, connect with fellow veterans, and recruit others to join the Legion. Kelly's service reaches into nearly every corner of the community. He served for eight years as Chairman of the Orem Heritage Commission, has spent more than 30 years as a temple worker for The Church of Jesus Christ of Latter-day Saints, and has dedicated countless hours to local schools, patriotic programs, and youth scouting. He is a steady, uplifting presence in the community, committed to passing the love of God, country, and community on to future generations. He makes the lives of others better through service and humor.

CHARLENE CROZIER

Orem has been an incredibly meaningful part of Charlene's life, and she is deeply grateful for the many opportunities she has had to serve the community through her 31-year career with the City of Orem. Her first job after graduating from BYU was serving as the Deputy City Recorder. She served in many important positions with the City and was always willing to step in and do whatever was needed to serve residents. Over the course of her public service, Charlene played a critical role in expanding public art, starting the Summer Concert Series, hosting the Timpanogos Storytelling Festival, modernizing the Orem Public Library, leading community outreach, building Library Hall, fundraising for big public projects such as the Orem Family Fitness Center, revitalizing neighborhoods, and so much more. After retiring from the City, she was fortunate to begin a new career with Squire & Company, an accounting firm founded in Orem more than 50 years ago. Living and working in Orem has brought her tremendous happiness.

BEN KJAR

Ben Kjar was born with Crouzon Syndrome, a rare craniofacial condition. As a young boy, doctors told him he would live a different kind of life, and they were right. Ben chose to rise above every challenge and become a victor, not a victim. Ben worked hard and became Utah Valley University's first-ever NCAA Wrestling All-American. At age 40, he represented the United States in Greece at the World Championships, where he once again overcame the odds and became a Greco-Roman World Champion and earned a silver medal in Freestyle Wrestling. Today, Ben is a professional speaker and thought leader, inspiring people and organizations around the world to set bold goals and achieve what once seemed impossible. He is the subject of the award-winning film *Standout: The Ben Kjar Story*. Ben and his wife, LaCol, are the proud parents of three beautiful adopted children, all age 7 and under.
